

A Level Graphics Transition - Task 3

Developed bottle design:

- **Produce a range of refined sketches for a final bottle/vessel design – show it from various angles (at least 4 drawings)**
- **Use tone on at least one of your drawings**
- **Draw it in 3D as well as in profile (draw it as a orthographic drawing if you wish)**

YOU DO NOT HAVE TO ANNOTATE IN DETAIL – REFERENCE TO AESTHETIC CONSIDERATIONS AND RESEARCH IMAGERY IS ENOUGH.

Use appropriate drawing materials or CAD program (Illustrator or Photoshop) if available.
