

The Story of Greggs

Greggs is a very successful bakery business that has grown over recent years to become one of the UK's leading convenience food providers.

Using <https://www.greggs.co.uk/> research both the history and operations of the business and how it has evolved over time.

You should produce a document equivalent to 2 x A4 pages, presented in whichever format you wish to present your findings.

Estimated Time: 30 minutes of research and 1 hour 30 minutes of task completion.
