

24<sup>th</sup> March 2022

Dear Parent / Carer,

Re: GCSE and Level 2 options online submission

Please find a link to our GCSE and Level 2 online submission at the end of this letter. Reminder that students must select **a minimum** of one “green” subject, choosing from Computer Science, French, Geography, History and Spanish. You must select a different subject in each block and a further three back up options.

Subject information and guidance booklets have been sent earlier in the term but please do use the following link which will take you to our GCSE and Level 2 options information page on the school website: <https://www.stokenewingtonschool.co.uk/learning/gcse-options>  
Please read the guidance to ensure that no errors are made.

The online submission form requires students to be signed into their Office 365 account, and they are limited to one submission, so please check very carefully that the choices made are accurate.

Please do not hesitate to contact me if you require any additional information or guidance. A small number of students have yet to meet with a member of staff to discuss their choices. These meetings will take place over the next few days and students will not be disadvantaged by this.

The deadline for submitting the form is Thursday 31<sup>th</sup> March.

Online submission form: <https://forms.office.com/r/ywzF8FtAyA>

Yours faithfully

Lucy Bryant.

DHT Curriculum.
