## **WEX opportunities**

### **Students**

#### **ICAEW & Pathway CTM – Transferable Skills workshop – 19th May**

ICAEW is a professional membership organisation that promotes, develops and supports chartered accountants and students. They partner with some of the top accounting firms across the UK so this event is a great way to network with industry professionals. For students interested in Finance, Accounting or Business this event will help them learn more about understanding their strengths and what is needed to excel within the Finance and Accounting sector. 19th May – 18.00 – 19.00pm. For full details and to register visit <https://pathwayctm.com/event/transferable-skills-with-icaew/>

#### **National Theatre - Fly the Flag – (Weekends in June & July) – for ages 16 – 21 - Closing 22nd May**

Young people interested in theatre-making and activism can join The National Theatre this summer for a unique project exploring human rights and performance. Working with the director you will use devising, ensemble and creative access techniques to create performance as part of a broader UK-wide programme. In addition to the 3 weekends there will be opportunities to take part in online masterclasses across June with inspiring activists, developed in partnership with Amnesty International. For full details and to apply visit <https://www.nationaltheatre.org.uk/content/16-21-fly-flag>

#### **Capital L - Summer School – for year 10's & 12's – July & August – Closing 27th May**

Year 10 students will have the chance to attend Capital L university campuses, take part in a mixture of in-person and online language and cultural sessions, and meet current language students at SOAS, Queen Mary, UCL, the Open University, King's College London and the University of Westminster. Monday 18 July - Friday 22 July from 10am-3pm each day. Applications close Friday 27th May. For full details and to apply visit [https://survey.alchemer.eu/s3/90447147/Capital-L-Year-10-Summer-School-Application-2022?dm\\_i=1MZL,7U4ZH,RBQ29I,VZKCD,1](https://survey.alchemer.eu/s3/90447147/Capital-L-Year-10-Summer-School-Application-2022?dm_i=1MZL,7U4ZH,RBQ29I,VZKCD,1)

Year 12 students will explore two fascinating disciplines, languages and law, and find out how the two subjects can be combined at university study. Students will attend a mixture of in-person and online language and culture workshops, lectures from academics, talks from current students and careers consultants, a trip to an exciting venue, and more. Monday 1st to Thursday 4th August. From 10am-3pm each day. Applications close Friday 27th May. For full details and to apply visit [https://survey.alchemer.eu/s3/90447189/Capital-L-Year-12-Languages-Law-Summer-School-Application-2022?dm\\_i=1MZL,7U4ZH,RBQ29I,VZKCD,1](https://survey.alchemer.eu/s3/90447189/Capital-L-Year-12-Languages-Law-Summer-School-Application-2022?dm_i=1MZL,7U4ZH,RBQ29I,VZKCD,1)

#### **Multiverse - Code Like a Girl: The Tech Insight – for young women aged 16 – 24 - 1st June**

Multiverse are hosting an Insight Event at their London headquarters to allow young women to explore what a career in tech could entail, and gain a wider insight from women who have launched exciting tech careers. They'll also get support in applying for Multiverse's Software Engineering and Data apprenticeships. Wednesday 1st June 9.30 – 17.00pm at 91-93 Baker St, London W1U 6QQ. For full details and to register visit <https://www.eventbrite.co.uk/e/code-like-a-girl-the-tech-insight-tickets-318759477177>

#### **Hepp Connects - National Virtual Vet Taster Event – for year 12's – 15th June – Closing 6th June**

Attendees to the event will have the opportunity to hear from staff and students from seven of the UK's vet schools and the British Veterinary Ethnicity & Diversity Society (BVEDS) on where a veterinary degree can take you, and from IVC Evidensia, a leading veterinary employer. There will also be the opportunity to hear from and chat to current Vet Student Ambassadors from the participating universities. The vet schools that will be present at the event are; Bristol, Cambridge, Edinburgh, Liverpool, Nottingham, the Royal Veterinary

College (RVC) and Surrey. The event is FREE to attend and is aimed at year 12 students from UK state schools and mature learners (aged over 21). Wednesday 15th June, 16.30 – 18.30pm Applications close Monday 6th June. For full details and to book visit <https://www.hepp.ac.uk/connects/widening-participation-vet-schools-network-national-virtual-vet-taster-event/>

**EY Foundation - Beyond Your Limits programme - for care-experienced young people in education aged 16-19 – Starting 8th August – Closing 17th June**

The Beyond Your Limits programme has been specifically designed with and for care-experienced young people in education, aged 16-19. The programme offers up to two years of support, with the first year of training delivered mainly in the school holidays to fit around school or college commitments. On the programme participants will receive paid employability training, multiple work experience placements, a personal development grant, a business mentor and progression coach. The programme will help to develop essential key skills and take those first steps into a career. The Beyond Your Limits programme is currently being run through a combination of face to face and online delivery. Programme starts 8th August. To find out more

For students interested in careers in business analysis, software, technology, insurance or finding out more about Verisk. Year 12's are also welcome to apply. Work experience dates are Tuesday 19th July and Wednesday 20th July (subject to change). Travel expenses will be covered, with no restrictions on background, socio-economic status or location. For full details and to apply visit <https://uptree.co/opportunities/verisk/3806576735/>

**UEL - Summer School Challenge 2022 – for year 12's – Various dates in July – No closing date listed**

The University of East London is offering a three-day on campus experience to students, aged 16-18, across a variety of subject areas. Students will be challenged to work to an

industry led brief with workshops and panels from expert academics, outreach team and industry professionals. Participants will also be able to access dedicated career planning workshops with careers coaches and industry professionals. The Summer School Challenge will run in a number of subjects including; Running a Smart City - Computing & IT, Diversifying Design - Visual Arts & Design, Fairtrade & Justice – Law, Music, Career & Me – Music, Communication, Media & Me - Media, Film & Journalism, Biomechanics and Physiology & Psychology - Sport & Exercise Science. For full details, dates and to apply visit <https://www.uel.ac.uk/about/schools-colleges/what-we-do/your-future-summer-school>

**Pearson College London - Virtual Work Experience opportunities - for business or creative industries – No closing date listed - 12th July**

Pearson College London and its two schools, Escape Studios and Pearson Business School, introduce an exclusive free opportunity to join a day of virtual work experience on 12th July 2022. Whether interested in a business career or a more creative path along the visual effects, game art or animation industries, there will be something for everyone. Students can build employability skills and expand their network during these events, which are packed with activities designed to challenge, inspire and expand their knowledge. To sign up visit the links below

Escape Studios <https://www.pearsoncollegelondon.ac.uk/escape-studios/visit-us/events/virtual-work-experience.html>

Pearson Business School <https://www.pearsoncollegelondon.ac.uk/pearson-business-school/visit-us/events/virtual-work-experience.html>

**ICAEW – Virtual work experience programme (Accountancy) – for year 12's – July or August – No closing date listed**

ICAEW work experience programme is a week-long programme designed for school students in the UK to introduce them to the surprising world of chartered accountancy. The week will provide an introduction to the accountancy profession and a chance to explore the career options available. Participants will develop key skills through employability sessions, including mock interviews, work on a business project with other students and present to peers and employers. They also receive support from a business mentor and ICAEW. They particularly welcome applications from those currently underrepresented in the accountancy profession, such as women and non-binary people, students from a low socio-economic background, and students with a Black Heritage background. Dates choose either 25th – 29th July or 1st – 5th August. For full details and to apply

visit <https://careers.icaew.com/work-experience>

**BDO - Virtual Insight Week (1st – 5th August) – for years 11 & 12 – No closing date listed**

Explore BDO Virtual Insight week runs from 1st – 5th August and is an opportunity to learn more about the world of accounting. Attendees will learn about BDO, accounting careers and why what they do is nothing like number crunching. Attendees will also develop their professional skills and meet people from all across the business. For those in the relevant year of study and with the required grades, there is also the opportunity to secure a fast-track onto either 2023 summer school or 2023 school leaver apprenticeship process. For full details and to apply

## **Careers Fairs**

### **UCAS - Discover STEM live – 11th May**

This day is dedicated to all things science, engineering, technology or maths. Whether an aspiring scientist, a tech whiz, an engineering enthusiast or a mathematical mastermind, this is a chance to explore the world of STEM, and what a future job could be. Covering everything from career paths to course options, attendees can hear what it's really like from current students, apprentices & graduates, meet subject teachers from universities, colleges, and apprenticeship employers and join live workshops and clinics. 11th May 10.00 – 18.00pm. For full details and to register visit <https://www.ucas.com/events/ucasdiscover-stem-404031>

### **UCAS – East London Exhibition – In person @ the University of East London - 7th & 8th June**

Meet hundreds of universities, colleges, apprenticeship providers and employers at UCAS's in person careers event. Join them on the day and take part in live application clinics and personal statement workshops, course and careers taster sessions and student talks and Q&A's.

7th & 8th June 9.30 – 2.30. For full details and to apply

visit <https://www.ucas.com/events/east-london-ucas-exhibition-2022-403866>

### **UK University Search – London Summer Fair – In Person at Tottenham Stadium – for years 11-13 - 24th June**

This event will provide attendees with the opportunity to speak to a multitude of exhibiting universities and apprenticeship providers. These will include; Russell Group, red brick and modern institutions, as well as apprenticeship providers and local colleges. The fair will feature a wide range of vital seminars including: UCAS Personal Statement & Application Advice, Why take an Apprenticeship, Choosing a University Course, Higher and Degree Apprenticeships and Student Finance. The event is aimed at inspiring and motivating year 12s and 11s who are starting to make decisions about their post-18 education and career choices. The fair is also a great opportunity for any undecided Year 13s who need help and guidance. Friday 24th June 2022 - Tottenham Hotspur Stadium 9.30am - 2.30pm. For full details and to book visit <https://www.ukuniversitysearch.com/fair-signup/london-summer-2022>

### **What Career & What Uni Live – Careers & Progression event – Virtual – 24th & 25th June**

Speak to top universities and companies in real-time, get expert advice and benefit from one-to-one support to help you kick-start your future. Join the WhatsNext Theatre to find out what it's like to work for some of the UK's top companies and to study at leading universities. Choose from a packed programme of free talks and get all the advice needed to take your next steps with confidence. Or take part in a Future Skills workshop, 45-minute sessions for a fun and interactive way to build essential skills and learn how to effectively convey these during the application process. Or book into Buskers Corner and watch performances online by Access Creative College students and find out how to follow in the footsteps of their patron, Ed Sheeran. There will also be CV Clinic's, a Careers Advice Lounge, advice for parents, a disability support hub and much more. For full details and to register visit <https://www.whatcareerlive.co.uk/virtual-june-2022>

### **London Careers Festival – Careers event - for all ages - Virtual 20th - 24th June – In Person @ Guildhall London 27th June – 1st July**

London Careers Festival (LCF) aims to connect pupils with the world of work. It connects students with the world of work through a range of webinars, activities and resources. Their aim is to not only support young people to be introduced to the diverse array of opportunities offered across Greater London and beyond, but to fuel their imaginations, develop their skills and inspire their futures. The festival also helps schools to meet their Gatsby benchmarks.

Virtual fair 20th – 24th June and an in-person festival at the Guildhall 27th – 1st July. For full details and to book visit <https://www.londoncareersfestival.org.uk/about/>

PWC: Virtual Insight Week: Their popular [Virtual Insight Week](#), taking place this summer.

For students interested in a career in the world of accounting, business or technology, our Virtual Insight Week programme will give them the opportunity to learn more about these areas and develop their employability skills so they feel confident when they start exploring their career. During this action packed week, students will be able to tailor the sessions they attend to their interests, hearing from our people who'll share their stories and answer students' questions.

Almost 2,000 students joined the programme last year and if you think this sounds like it could be of interest to your students, they'll have to be quick, this is their last chance to apply to this year's programme so find out more and apply.

**Apply here**
