

LANGUAGE OF THE MONTH

-SLOVAK-

It is the official language in Slovakia.

Home speakers also live in Serbia, Czech Republic, Hungary and also in Poland, Romania and Ukraine.

- ▶ You should visit at least three of these places to be able to say you've experienced Slovakia.

World-changing inventions are associated with the following Slovaks:

Joseph Maximilian Petzval (inventor of photographic objective lens),

Jozef Murgaš (inventor of wireless telegraph),

Jan Bahýľ (inventor of helicopter),

Štefan Banič (inventor of a parachute),

Aurel Stodola (founder of the theory of steam and gas turbines),

Ivan Alexander Getting (inventor of GPS), and many others.

In a field of culture we are famous for the founder of pop art, Andy Warhol,

STEAM TURBINES
