

OLIVE DINING

HALAL UPDATE

Olive Dining can provide both Halal meat and non Halal meat where required.

Your school have requested Olive Dining provide Halal meat to ensure that meat dishes are appropriate for all faiths and meet the demands of the families and students at your school.

Olive Dining use a HFA (*Halal Food Authority*) accredited UK Supplier of Halal Poultry, Beef and Lamb, meaning all our Halal meat comes from a reputable supplier with good practises and is fully certificated.

The HFA certificate confirms our supplier has been checked in the last 6 months and is compliant to standards.

HFA means the animal is stunned at the point of slaughter which is deemed better by Animal Rights organisations and more widely acceptable to many faiths.

Many of the meat products we consume daily are slaughtered in this way although usually at an abattoir that is not Halal certificated.
