

# FREE SCHOOL MEALS AT SECONDARY SCHOOL

## Q+A

### **HOW DO I KNOW IF MY CHILD IS ENTITLED TO A FSM?**

You can find out by going onto the government website, or use your mobile phone to scan the QR below. Here, you will need to answer a few questions which shouldn't take too long.

### **MY CHILD HAS AN ALLERGY.**

All allergens are listed on packaged items such as sandwiches and baguettes. We also display allergens clearly within our salad deli bar and hot counters. We offer lots of choice in our secondary schools so we will be able to cater for allergies on a daily basis. Our chefs are more than happy to answer any allergy queries and support with the correct food choices.

### **MY CHILD HAS A DIFFERENT DIETARY REQUIREMENT.**

Here at Olive Dining we are very lucky to have our own expert nutrition team who can support with special menus, so please do let the school know who can contact us. We are happy to work with students/ parents to create the correct menus. Our chefs are also on hand to support the correct meal choices for your child.

### **WHAT IS INCLUDED IN THE MEAL DEAL?**

The meal deal includes either a hot main & hot dessert or alternatively, a cold main & cold dessert. The FSM offer includes the school's meal deal. All our meal deal items are clearly labelled. We have posters to advertise what the meal deal includes, and then purple labelling in our fridges to display what items (for example sandwiches/ baguettes etc) are included.

### **WILL ANYBODY KNOW MY CHILD HAS A FSM?**

No, the tills do not display this information for anyone other than the till user to see.

**OUR KITCHEN TEAMS ARE FRIENDLY AND HERE TO HELP, SO PLEASE DO ENCOURAGE YOUR CHILD TO ASK IF THEY HAVE ANY QUESTIONS.**
